

Peer Learning Spotlight Event:
Innovative Instruments for Working with and through the Private Sector in
Development Co-operation
8-9 February 2016 | Copenhagen, Denmark

Location: Eigtveds Pakhus, Asiatisk Plads 2 G, DK-1448 Copenhagen K

Language: English (no translation)

Participants: Approximately 50 participants from DAC member ministries and agencies in charge of private sector activities in development co-operation, innovative instrument managers, OECD staff, and special guests from multilateral and multi-donor funded financing initiatives.

Logistics: Prior to the event, you will receive a finalized Spotlight agenda and information note regarding logistics for your travel to Copenhagen.

Moderator: Shannon Kindornay, Adjunct Research Professor and Independent Consultant, Carleton University

Spotlight objectives:

- Examine different types of financial and non-financial innovative instruments in terms of:
 - How they work (or are made to work by different members);
 - Resources required for establishment, implementation and ongoing management;
 - Innovative components; and
 - Results achieved, including effectiveness in achieving desired results.
- Assess the appropriateness and effectiveness of different financing instruments in relation to development objectives;
- Identify key opportunities and challenges for adopting and implementing innovative instruments with a view towards lessons learned; and
- Contribute to the development of an instrument typology in the final report for the peer learning exercise.
